PROFESSIONAL SUMMARY

A detail-driven property professional completing Advanced Diploma of Conveyancing, offering an end-to-end understanding of the Victorian property transaction and settlement ecosystem. Combines a strong background in compliance, verification, and client management with upcoming technical conveyancing expertise.

Multi-lingual communicator adept at managing diverse client portfolios and ready to deliver high-quality file management, contract review, and seamless settlement coordination

WORK HISTORY

PROPERTY TRANSACTIONS CONSULTANT 07/2023 - Current
SAMMA Property Group | Melbourne, Vic

- **Contract & Disclosure Administration:** Maintained a strong understanding of property legislation, facilitating the preparation and smooth handling of Contracts of Sale and Section 32 Vendor Statements.
- **End-to-End Transaction Coordination:** Coordinated seamlessly with vendors, purchasers, mortgage brokers, and legal representatives to monitor key milestones from initial contract signing through to unconditional status and final settlement.
- **Stakeholder & Relationship Management:** Acted as a trusted liaison for diverse clients, managing high-stakes expectations, explaining statutory transaction processes clearly, and navigating complex property negotiations.
- **Compliance & Trust Verification:** Ensured strict compliance with consumer affairs regulations regarding trust deposits, statutory documentation, and listing authority verifications.
- **Client Portfolio Management:** Developed a deep understanding of market trends, built long-term networks across the Victorian property sector, and conducted initial file setups for new listings.
- **Cross-Cultural Communication:** Leveraged multilingual capabilities to handle property inquiries and clarify complex procedural transaction steps for non-English speaking clients.

SALES CONSULTANT

Harcourts Move | Melbourne, Vic

06/2021 - 06/2023

- **Pre-Listing Documentation & File Preparation:** Assisted with the onboarding of new property listings by coordinating vendor information, identification documents, Statement of Information requirements, and supporting property documentation to ensure files were prepared prior to market launch.
- **Property Research & Due Diligence Support:** Conducted preliminary property research using industry databases and publicly available records to review property information, title particulars, planning overlays, and other relevant details to support accurate marketing and transaction preparation.
- **Client Liaison & Transaction Support:** Acted as a key point of contact between vendors, purchasers, agents, and conveyancers throughout the sales process. Assisted clients in understanding transaction requirements and facilitated the collection of information required for Contracts of Sale and Vendor Statements (Section 32).
- **Deposit Administration & Compliance Support:** Assisted with the administration of sales deposits by ensuring funds were receipted correctly and directed to the appropriate trust account in accordance with agency procedures. Maintained accurate transaction records and supported compliance with Consumer Affairs Victoria requirements.

MORTGAGE BROKER

LENDI | Melbourne, Vic

07/2017 - 5/2021

Key Achievement- Awarded as "Westpac Platinum Broker" - The highest recognition for customer commitment and substantial business contribution.

- **Regulatory Compliance & Verification:** Conducted rigorous verification of complex financial structures, property data, and identity documentation (VOI) to guarantee strict adherence to banking regulations and statutory property requirements.
- **Risk Mitigation & Title Analysis:** Evaluated property valuation records and cross-referenced land titles/encumbrances to proactively identify transaction discrepancies, minimizing financial and legal risks prior to final approval.
- **End-to-End Pipeline Administration:** Strategically managed a high-volume portfolio of property finance files, tracking key legal and financial milestones to ensure accurate, on-time documentation delivery.
- **Stakeholder Coordination:** Acted as a central point of contact between credit teams, relationship managers, and legal networks to facilitate smooth pre-settlement workflows.
